Letter of Recommendation

09 March 2021

To Whom it May Concern:

Dear Sir/Madam,

It is with much enthusiasm that I am writing to recommend the services of Celcius Refrigeration.

I, Manuel Correia Pita have been using Celcius Refrigeration for Refrigeration System Services and Installations for a few years now and have always been completely satisfied with their performance. They do an excellent job, are always punctual and offer the most competitive prices.

I could say a lot of things about Paul da Silva's professionalism and expertise, and they would all be true. He is always available to discuss any matter and go the extra mile. The Technicians have excellent customer service skills and always deliver promptly.

I would most definitely recommend the services of Paul da Silva and Celcius Refrigeration.

If you have any queries, please feel free to contact me.

Yours sincerely,

Manuel Correia Pita
